**\* Literacy: This course provides reading and paragraph-writing remediation.**

**\*\* ALP: Students with an ACT 16-18 (or Accuplacer equivalent score) in reading and English/writing may enroll in this co-req course. Each ALP section is paired with a specific Composition I section. An ALP student MUST also enroll in the appropriate paired Composition I section.**

\*In the case of a student having both an ACCUPLACER Arithmetic (AR) and an Elementary Algebra (EA) score, the Arithmetic score will be used for placement. *Students with an AR score will determine math placement into CCAP 0010 or MATH 0043.* Otherwise, students with only an EA score will be used to determine math placement.

**If student has AR (arithmetic) score, they will enroll in CCAP or Introductory Algebra**  
**IF <31 EA → Use AR score**
